**Friday, March 30, 2012
2:00–5:00pm**

**Sunset Drive Office Building
11811 S. Sunset Drive, Olathe, KS 66061
Conference Room SDOB 1070/1075**

Join us for an informative discussion on the details of the outbreak, what went right and what needs improvement. We'll provide information about measles, how to handle cases and the proper way to report communicable diseases.
